Commitment to Quality

Since 1981, Orenco Systems®, Incorporated (hereinafter referred to as "Orenco"), has been known as a company that researches, designs, manufactures, and sells high-quality products. We see ourselves as more than a "business." We see ourselves as a company that makes the planet a cleaner, healthier place, a company that is *Changing the Way the World Does Wastewater*®.

Any wastewater treatment system can be affected by improper design or installation, lack of maintenance, or system abuse. Although all models of our AdvanTex® Treatment Systems are carefully designed and constructed, it's still important to pay strict attention to system design and installation instructions and to follow through with intelligent usage and regular maintenance.*

Limited Warranty Coverage

Subject to the exclusions, limitations, and conditions contained herein, Orenco warrants that all of its component products comprising an AdvanTex Treatment System (consisting of all Orenco products between the inlet of the processing or recirculating tank and the outlet of the treatment unit, including the control panel, risers, and lids) will be free from defects in materials and workmanship for a period of forty-two (42) months from the date of installation, or thirty-six (36) months from the date of system start-up, whichever is less (the "Warranty Period").

If Orenco determines that a component it supplied as part of the AdvanTex Treatment System has failed because of a defect in materials or workmanship, Orenco will repair or replace, at its discretion, the failed component.

Exclusive Remedy

Labor is not covered under this Limited Warranty. Defects in materials or workmanship will be determined in good faith by Orenco upon receipt and inspection of a returned component. Components shall not be deemed to be defective if the failure, malfunction, or damage was caused by, or resulted from:

In the event Orenco determines that a returned component is defective in materials or workmanship and covered by this Limited Warranty, Orenco will credit or reimburse you for all reasonable transportation charges incurred in returning the component, and will be responsible for all transportation charges to return the repaired or replacement component to you. Such repaired or replacement component shall continue to be warranted under the Limited Warranty of the original purchase. In the event Orenco determines that a returned component is not defective in materials or workmanship, or is not covered by this Limited Warranty, Orenco may charge you a testing fee and all reasonable transportation charges required to return the component to you.

ORENCO SHALL NOT BE LIABLE FOR ANY LOSS, INJURY, OR DAMAGES TO PERSONS OR PROPERTY RESULTING FROM FAILURE OF, OR ANY DEFECT IN, THE ADVANTEX TREATMENT SYSTEM, OR FOR ANY TECHNICAL ASSISTANCE OR INFORMATION THAT ORENCO MAY HAVE PROVIDED TO THE OWNER. NOR SHALL ORENCO BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, PLANT DOWNTIME, FINES OR PENALTIES, OR LAWSUITS BY THIRD PARTIES AGAINST THE OWNER OF THE ADVANTEX TREATMENT SYSTEM.
